

Abacus Kit

Dear Parent

Abacus is a universally accepted brain development program. It is an ancient calculating tool and is proven to develop the focus, concentration skills and the ability to do quick calculations. It helps in giving a competitive edge to the students and thus helps in the overall academic enhancement. Keeping in view the advantages of the programme we have been running the Abacus classes for the students of classes I to IV.

You are requested to deposit Rs 250 as one time kit cost latest by 20th April 2025 to the class In charge. The kit comprises the work book - study material and the tool. Only the kit cost shall be charged. No extra fee shall be charged for the abacus classes.
