Date-09.03.2026

Revision of Charges – Educational Trip to Ranthambore

Dear Parent,

This is with reference to our earlier circular regarding the Educational Trip to Ranthambore National Park for the students of Class X.

We sincerely thank the parents for their valuable feedback regarding the trip charges of ₹4500 per student. Taking your suggestions into consideration and in order to encourage greater student participation, the school has decided to revise the trip charges to ₹2500 per student.

To make this possible, the following adjustments have been made in the arrangements:

- * Transportation: Instead of AC coaches, students will travel by comfortable Non-AC school bus.
- * Meals: Instead of dining at a five-star resort, Lunch will be arranged at a good and hygienic food outlet.
- * Trip Management: Instead of outsourcing the arrangements to external trip advisors, the school will organize and manage the trip independently.

Please note that the trip has been rescheduled for 13th March 2026.

All other aspects of the educational and recreational experience will remain the same, and the school will ensure the safety, supervision, and enjoyment of the students throughout the trip.

We hope that with this revised plan, a larger number of students will be able to participate and benefit from this enriching experience.

Parents who wish to send their ward may kindly fill the Google Form and submit the consent along with the revised amount of ₹2500 to the school office by 9th March positively.

We look forward to your cooperation.

Warm regards,

Principal
