

CLASS - IX

Dear Parents,

This is to inform you that as part of the Board Registration process, you are requested to submit the mandatory documents required for your ward's registration by Saturday, 2nd August 2025 at the school office.

In addition, you will be called to school for verification of your child's personal data (such as name, date of birth, parents' names, etc.). This step is crucial to ensure the accuracy of the information being submitted to the Board, as no changes will be permitted once the data is finalized.

We urge you to review all details carefully during the verification process to avoid any discrepancies that may cause issues later.

Your cooperation and timely response are essential to complete the process smoothly.

Regards

Principal
