

**Class VII – VIII**

Dear Parents,

As part of our ongoing endeavours to promote environmental sustainability and discourage the use of plastic, we are initiating an ecofriendly activity of preparing jute bags in the school under the "Aas & Prayaas Project". In the same context, every student has to deposit 50 Rs. for the raw material latest by 11<sup>th</sup> July '25.

Your continued support and cooperation is highly appreciated and treasured.

Regards

Principal
