The Chairperson Mr Rajesh Ujwal welcomed all the members of the fee regulation committee and thanked them for their presence. The main agenda of the meeting was announced by the secretary Ms Vandana Singh.

The members discussed the proposed fee hike for the upcoming session. It was noted that there was no fee increase last year, and in line with government guidelines, a fee hike of up to 10% is permissible. After careful consideration, a hike of Rs. 400 per month in the tuition fee for all classes was proposed. This would align with the government’s permissible fee increase limit. A hike of Rs 1000 annually was proposed for the annual and admission fee as well. The present fee structure as given below was presented.

**Agreement by Committee Members:**

- After a thorough discussion, all members agreed to the proposed fee hike of Rs. 400 per month for all classes. The committee members acknowledged the necessity of the hike for continued development and upkeep of school facilities. Thus an annual hike of Rs 1000 in the annual and admission fee was also approved by the committee.
- The practice of fee hike in alternate year shall be followed.

**Conclusion and Approval:**

The final decision was made to implement the fee hike of Rs. 400 per month in tuition fee and Rs 1000 annually in the annual fee for all classes. Fee hike of 1000 in the admission fee was also approved by the committee since it is onetime payment. This decision will be communicated to the parents and guardians before the start of the new session with the session start letter on the result day.

**Closing Remarks:**

The Chairperson thanked everyone for their valuable input and confirmed that the school management would prepare the necessary communications regarding the fee structure.
